Hi Dave and Ellen,

This is related to a plan being considered for Hull to take wastewater from unsewered areas in some of the adjacent towns.

I think that it makes more sense for someone from permits to go to this meeting.

Dave

Good Afternoon!

Would you be available to meet with the regional group to discuss wastewater regionalization on June 15 from 2-4 in Scituate? We have met several times as a group and there is genuine interest to hear from our regulators.

Dave Burns and I are meeting with MEPA next week, so we should have information to share on that level.

Thank you- looking forward to hearing from you.

Regards

Rosemary
